

INTERNATIONAL BACCALAUREATE MIDDLE YEARS PROGRAMME ENROLLMENT PROCEDURE FOR SCHOOL YEAR 2022/2023

Grade 9 - MYP4

44 students will be enrolled in grade 9/ MYP4 in school year 2022/23, divided into two homerooms.
In order to apply the minimum of 77 points out of 90 is required.

MIDDLE YEARS PROGRAMME

- The language of instruction is English
- We offer IB MYP (final years of the Middle Years Programme) corresponding to grades 9 and 10 of high school to be continued with IB DP (grades 11 and 12)
- Foreign languages mandatory in the programme are English and French or German

TERMS AND CONDITIONS OF ENROLLMENT

Prospective students' selection is based on:

- Final grades (GPA) in the last four years of elementary/primary school – years 5, 6, 7 and 8 (maximum 20 points will be awarded)
- Subject grades from Croatian, Mathematics , first foreign language (English preferably), History, Geography and Biology in the last 2 years of elementary/primary school (years 7 and 8) (maximum of 60 points can be awarded)
- English entrance exam (maximum of 4 points can be awarded- Section 1 – 2 points + Essay/composition 2 points)
- Mathematics entrance exam (maximum of 4 points can be awarded)
- Interview with candidates in English (maximum of 2 points can be awarded)

A candidate who did not have a subject relevant for the enrolment in the previous 4 years of education, the GPA at the end of such a school year is calculated and added instead of the required subject grade.

Students who were educated in English at least 2 years or more, of the last 4 years of education, do not need to sit the entire English exam-they are awarded 2 points for the essay/composition, but will still have to write Section 1 of the exam.

A **maximum of 90 points** can be gained in total.
